2. The Company has not adopted and complied with the requirements of AS-15 ' Employee Benefits' in respect of the Gratuity liability, which constitutes a departure from the Accounting standards referred to in section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. In view of this the liability of the company in this regard could not be ascertained. Consequently, we are unable to comment about the impact of this on the profit for the year, income tax and shareholder' s funds

In view of the losses of the company, the board has taken decision to provide for gratuity when it materializes.

3. We draw attention to Note 21.1 in the financial statements which state that the Company' s current liabilities exceeded its current assets by Rs. 56.05 lakhs. Further, as indicated by the Company' s Balance Sheet as at March 31, 2015, the net worth of the Company has eroded completely. These conditions indicate the existence of a material uncertainty that may cast significant doubt about the Company' s ability to continue as a going concern.

Although this net worth of the Company has been eroded, the Company is presently making profits and hopes to come to positive net worth in the coming years.

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of SOUTHERN MAGNESIUM AND CHEMICALS LIMITED, HYDERABAD, TELANGANA ("The Company"), which comprise the Balance Sheet as at 31st March 2015, the Statement of Profit and Loss, Cash flow statement for the year then ended and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act 2013 ("the Act") with respect to the preparation and presentation of these standalone financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and Matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.
4. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
5. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.
6. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the standalone financial statements.

Basis for Qualified Opinion

7. Company had paid preference dividend on cumulative preference shares without setting off accumulated losses and depreciation and preference shares are also redeemed despite unavailable profits for distribution of dividends, thereby the Company has not complied with the provisions of Section 55 of the Companies Act 2013.
8. The Company has not adopted and complied with the requirements of AS-15 'Employee Benefits' in respect of the Gratuity liability, which constitutes a departure from the Accounting standards referred to in section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. In view of this the liability of the company

in this regard could not be ascertained. Consequently, we are unable to comment about the impact of this on the profit for the year, income tax and shareholder's funds

Qualified Opinion

9. In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion Paragraph, the standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2015 and its profit and its cash flows for the year ended on that date.

Emphasis of matter

10. We draw attention to Note 21.1 in the financial statements which state that the Company's current liabilities exceeded its current assets by Rs. 56.05 lakhs. Further, as indicated by the Company's Balance Sheet as at March 31, 2015, the net worth of the Company has eroded completely. These conditions indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern.
